

SeaBreeze CTV

Reference# 85386/85547-10350L

SeaBreeze CTV

A robust, light weight 1-hour work and survival suit for a great variation of tasks. Designed with focus on ergonomics and comfort, it allows good freedom of movement. Made of durable highly-breathable and waterproof material. The suit is ideal for use on board merchant vessels, in aquaculture and for transport to and from offshore wind farms. For easy integration of safety equipment such as a harness and/or lifejacket, the suit is clean on the chest and back. It has reinforcements in the seat and knees and padding on the lower sleeves.

Facts

- Ergonomic – pre-shaped Y-construction offers excellent freedom of movement
- Breathability – durable HP Superlight fabric with excellent breathable properties
- Lightweight shell to reduce weight
- Waterproof zip in neoprene neck seal for easy donning and comfort
- Roomy watertight pockets placed on each thigh to ensure ease of access
- For easy integration with safety equipment such as harness and/or inflatable lifejacket, the suit has no details on chest and back
- Socks
- Separate soft comfortable neoprene hood stored in upper sleeve pocket
- 5 finger neoprene gloves stored in sleeve pockets
- Knee and seat reinforcement
- SOLAS approved 1 hr <5°C water temperature
- ISO 15027-1 Class C approved 1,5 hr <5°C water temperature
- Should be used with compatible SOLAS- or ISO-lifejacket according to user area

Product Detail

Area of application	<i>Multi-purpose</i>
Type of suit	<i>Work suit</i>
