

THROW OVER LIFERAFT

Provides protection in an emergency

A lightweight and durable liferaft solution that protects your passengers and crew in an evacuation situation. Easy to maintain and service, these compact liferafts meet the needs of your small passenger vessel, fishing or commercial vessel.

BENEFITS:

- ✓ Suitable for four up to 150 persons, with options to suit your vessel needs
- ✓ Fully enclosed double-skinned, high visibility canopy complete with retro-reflective tape for improved visibility
- ✓ Easy access non-inflatable boarding ramp
- ✓ Manufactured using corrosion and abrasion-resistant polyurethane-coated fabric for longevity
- ✓ High volume water pockets to ensure maximum stability when inflating
- ✓ Available in different container options to suit your needs
- ✓ Extremely strong and safe when loaded

“ **A high-quality**
cost-effective solution ”

TRUSTED TO
PROTECT LIVES
